

TERMS AND CONDITIONS

Veronika's Light and Lace

Boudoir and fashion editorial photography

Please read these before you book. They explain the deposit, how much notice is needed to change a date, and when a refund is by discussion rather than automatic.

1. These terms

These terms apply to every enquiry and booking with Veronika's Light and Lace (boudoir and fashion editorial photography, Lymm, Cheshire).

A signed booking agreement is the full contract for that session. Where these website terms and a signed agreement differ, the signed agreement for that session applies.

2. Booking and the deposit

A date is not held until a £100 deposit has been received. For a confirmed session, the booking agreement should also be signed.

The deposit is part of the collection price. It is taken off the balance, which is due before the session.

Prices on the website are for 2026 unless a later year is agreed in writing.

3. Changing the date · 14 days' notice

Please give at least 14 days' notice to move the date.

If the session is moved with 14 days' notice or more, the deposit is not refunded. It stays on the new date.

4. Cancelling

If you cancel with 14 days' notice or more, and you do not want another date, a refund of the deposit is not automatic. It is by discussion. Veronika will be fair. The date was taken out of the diary, so a refund is not guaranteed.

If you cancel, or move the date, with less than 14 days' notice, the deposit is not refunded. A later date may still be offered by discussion if the diary allows.

5. If Veronika has to cancel

If Veronika has to cancel (illness, venue failure, or similar), the deposit is refunded in full, or moved to a new date at your choice.

She is not liable for travel, hotel, hair, makeup or other costs you have arranged.

6. Home, hotel and studio

Sessions are typically in a hired studio (studio hire included in the collection price). Veronika does not photograph at her own home.

A session at your home is only if the space is private and has room for studio lights (quoted).

A hotel session is in the client's room, by agreement with Veronika (quoted once the hotel is known).

If a home or hotel space is not private, or there is not room for the lights, Veronika may move the session to a hired studio. The deposit then moves to that date, or is refunded if you do not wish to continue.

7. The session

You must be 18 or over. The session is private. Only people agreed in advance may be in the room.

Posing is directed throughout. Hair and makeup are not included unless written as an extra.

If you are late, the shooting time still ends at the booked finish, unless extra time is available and paid at £90 / hour.

8. What you receive

You leave with the number of retouched digital images stated for the collection, chosen by you from a private gallery of web-sized proofs.

Extra images are £40 each. Extra shooting time is £90 / hour. Prints, albums and other extras are quoted after you have chosen images. There is no obligation to order them.

Raw / unedited files are not included and are not supplied.

9. Copyright and your use

Veronika keeps the copyright in all images. You buy a personal-use licence on the retouched images you choose: to keep, to print, to give as a gift, and to share on your own personal social accounts. A credit is appreciated.

You may not sell the images, use them to advertise a business without a separate commercial licence, or put them into a stock library or an AI-training service.

10. Privacy

Private is the default. Nothing goes on the website, social media, print or a magazine unless you have agreed in the booking agreement and later approved the specific frame.

If you agree, that can include Veronika's own social media. You will not be named in public unless you have said so in writing (email is enough).

11. Liability

Veronika will take reasonable care of you and of the images. If images are lost through equipment failure or a fault that is not yours, her liability is limited to a reshoot of the same collection, or a refund of the fees paid for images that cannot be delivered · whichever you prefer.

Nothing in these terms limits liability for death or personal injury caused by her negligence, or for fraud.

12. Law

These terms are governed by the law of England and Wales. The courts of England and Wales have jurisdiction.

This is a booking terms page for Veronika's Light and Lace. It is not a substitute for advice from a solicitor on an unusual job.
